

## Aion America 4.6.5 Patch Notes – Battlefront

### Instance

#### 1. Idgel Dome

The new battlefield instance Idgel Dome has been added.

The Idgel Dome is a coliseum where the ancient Danuar forced Ide-contaminated creatures to fight for their entertainment. Beritra, knowing that these creatures could be valuable test subjects, made efforts to capture them when the Elyos and Asmodians arrived. Both sides, determined to stop the dragon lord and each other, have poured troops into this valuable site.

Entry Requirements	
Entry Level	Level 61 - 65
Entry Type	New group entry/Fast group entry/Everyone
Players	6 vs 6 of each faction

- Group members cannot enter if they do not meet the level requirements.
- The Idgel Dome can only be entered during set hours. (Schedule in our website)

Entry	Entry Days	Entry Count
Entry Times	Daily	1

- The entry count for Idgel Dome resets daily at 9 AM.
- During the entry time, a system message appears and an entry button becomes active in the lower right corner of the screen.

Race	Quest	Quest Giver Location
Elyos	[Group] Into the Dome	Katalam
Elyos	[Group] Destroying the Destroyer	Idgel Dome
Asmodian	[Group] All for One	Katalam
Asmodian	[Group] Destroy the Destroyer	Idgel Dome

#### 2. Infinity Shard

Hyperion now will also drop an [Essence Purifier](#) for each alliance member, that can be used to extract the experience of a level 65 character to obtain a [Purified Essence](#), used to Purify your gear.

## Environment

### 1. Arena Event Instance Map

We have an available map for future Tournaments that can be used, organized and hosted by players, also an area that will be available as event sometimes to players PvP in a smaller map.

### 2. Recharger

We have added a Recharger NPC to both Arenas in **Sanctum** and **Pandaemonium**. Rechargers are used to Reset your skills cooldown and also to fully heal your HP/MP so you can test your skills and duel with other players.

### 3. Special Monsters

Near camps in Katalam and Danaria we will have **Beritra Experimental Dragons**, monsters deployed by Beritra to slowly start attack on those maps. They can provide some resources such as normal and composite manastones.

## Battlegrounds

### 1. Battlegrounds Rewards Change

Besides the original rewards we also have added some additional rewards so players can get access to all the new gear.

Instance	Winner Reward	Loser Reward
----------	---------------	--------------

Idgel Dome	1x Ceramium Medal/1x Purified Essence	Fancy Medal Chest
Engulfed Ophidan Bridge	1x Ceramium Medal/1x Purified Essence	Fancy Medal Chest
Kamar Battlefield	1x Ceramium Medal/1x Purified Essence	Fancy Medal Chest
Iron Wall Warfront	1x Ceramium Medal/1x Purified Essence	Fancy Medal Chest

\*(Fancy Medal Chest gives 1 Mithril Medal OR 1 Ceramium Medal)

## 2. Abyss Points Increase in Battlegrounds

Idgel Dome, EOB, Kamar Battlefield and Iron Wall Warfront now give 50% more Abyss Points than original

## System

### 1. Arenas Entry/Ticket System

Arena of Discipline, Arena of Chaos, Arena of Harmony and Arena of Glory have a new Entry system to prevent dodging! The Arena Ticket will be consumed when you find a match instead of when you enter.

### 2. Classic Mode

You will find Classic Mode in your website account panel.

- Allows you to change your character MOB hunting EXP to 1x and you won't be affected by our higher exp events rates.
- Allows you to limit your character level, for example if you want a character that must be MAX level 40, you can lock the character level so won't go further level 40. (Level can't be changed, you can only lock to not level up)

### 3. Manastone System

- Manastones upon fail won't remove the existing manastones in your item

## Skills

### 1. Administrator's Boon

Before when you used the effect would last only 1 hour, now when used will last 24 hours. (Applies to all the Administrator's Boon)

### 2. Guardian General (XForm)

The buff time will also be spent while the character is offline.

XForm Skills will be available only for General, Great General, Commander and Governor Ranks, Army 5 Star won't have the skill available.

### 3. Prestige Badge

Prestige Badge now instead of giving a 10% drop rate buff will give a 40% drop rate buff.

## Sieges

### 1. Gelkmaros, Inggison and Divine Sieges

Fortresses from Gelkmaros, Inggison and the Divine Fortress now rewards **Glory Points** and **Ceramium Medals**.

Siege Monsters/Guards from Gelkmaros, Inggison and Divine Fortress are now level 65, Artifacts and the Dredgion Attacks too.

New rift entrances will appear in Gelkmaros and Inggison 1 hour before the siege starts and the rifts will remain for 1 hour after the siege ends. You will be ported to a safe zone in the opposing land when using the Rift.

### 2. Tiamaranta Hearts Siege

Tiamaranta Siege have been fully removed and won't have a schedule.

The Tiamaranta's Eye will be kept always opened for both, Elyos and Asmodians.

## Quests

### 1. Elyos Quests Changes:

Inggison Fortresses when owned by Elyos will have the normal Platinum Medal quests and will also reward a **Ceramium Medal**.

Gelkmaros Fortresses when owned by Elyos will have the normal **(Spy)** quests rewarding Platinum Medal and also a **Ceramium Medal**.

Tiamaranta's Eye Daily kill quest will reward a **Ceramium Medal**.

## Purification System

### 1. Purification have been introduced

Equipment can be purified by using specific items. Purifying an item will increase its base stats. Some attributes of purified items will change, while others are kept.

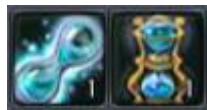

Attribute	Details	Result
Tuning	Stats	Not Kept
Manastones	Main Weapon Manastones Combined Weapon Manastones Additional Manastone slots	Kept
Godstones	Regular Godstones	Kept
Enchanting Level	Max Enchantment Level Enchanting Level Stats	Kept
Appearance	Skin	Not Kept

\* For example, an item that is enchanted to +10 will become +5 after purification.

Only certain weapons/armor can be purified

Original Items	Purified Items
Incensed Hyperion	Pure Incensed Hyperion
Enraged Hyperion	Pure Enraged Hyperion
Resplendent, Eclipse/Seraph, Shadowshift	Dawnwing, Shadewing/Blazewing, Duskwing

Essence Purifier and Purified Essence have been added. These are related to the Purification system.

- Essence Purifier can be obtained in Infinity Shard by killing Hyperion
- Purified Essence can be obtained by winning battlegrounds such as Kamar, EOB, ID and IWW

The Essence Purifier consumes 50% of the XP bar of a Lv.65 character, and 1 Purified Essence is obtained. Purification will happen manually by the server administrator, when you meet the requirements access our discord and submit a ticket to proceed with the Purification.
